

# Refurnishings Donation Policy

Welcome to Refurnishings' Donation Guidelines!

At Refurnishings, our mission is to provide high-quality, gently used furniture to the community while supporting the vital work of JFO. We greatly appreciate your interest in donating and would like to guide you through our donation policy to ensure a smooth and beneficial process for everyone involved.

## What We Accept:

1. **Gently Used Furniture:** We are looking for items that are still in good, usable condition. This includes tables, chairs, sofas, bed frames, dressers, and other home furnishings.
2. **Clean and Well-Maintained:** All items should be free from stains, tears, excessive wear, or pet damage. We aim to provide our customers with items that are ready for immediate use in their homes.
3. **Safety and Compliance:** Furniture should comply with current safety standards and not be subject to any recalls or safety warnings.

## What We Do Not Accept:

1. **Electronics:** Currently, we are not equipped to handle electronic items, including TVs, computers, or electronic appliances.
2. **We cannot accept used mattresses.** It is unlawful to sell them.
3. **Damaged or Heavily Worn Items:** We cannot accept furniture that is broken, has significant wear and tear, or requires repair.
4. **Items with Health Risks:** We do not accept mattresses, or upholstered furniture that has been heavily soiled, exposed to smoke, or infested with pests.

## Donation Process:

- **Drop-Offs:** Donations can be brought to our store location at 2484 Rte. 9W, Ravena, NY 12143 on Wednesdays. This is our dedicated day for receiving and processing donations.
- **Pick-Up Service:** For large items or multiple donations, please contact us to arrange a pick-up. Note that our ability to pick up items may depend on volunteer availability.

- Tax Receipts: Upon request, we can provide a receipt acknowledging your donation for tax purposes.

**Final Considerations:**

- Before donating, please evaluate if your item is something you would feel comfortable giving to a friend or family member. This helps ensure the quality of items we offer to our community.
- Our staff and volunteers reserve the right to politely decline donations that do not meet our guidelines or current needs.

Thank you for supporting Refurnishings and the work of JFO through your generous donations. Together, we're making a positive impact in our community, one piece of furniture at a time!
