

JFO's 3rd Annual Banquet

Let's Come Together

For the past eleven years, Justice for Orphans has been inspiring, educating and equipping churches, families, businesses, and communities to care for vulnerable children. To that end, we are the implementing partner for CarePortal in the Capital Region, currently working in four local counties.

CarePortal is an online platform connecting child welfare agencies with churches, businesses, and community members to meet the needs of children and families in crisis. To date, over 2,400 local children have been served. Our intention is to activate CarePortal in all eleven Capital Region counties. To learn more visit justicefororphansny.org/careportal.

On Thursday, November 10, 2022, JFO will host its 3rd annual fundraising banquet, "Let's Come Together." We are hoping that you will help to underwrite this amazing event. We are offering three options for sponsoring—**Silver \$250. Gold \$500. or Platinum \$1000.**

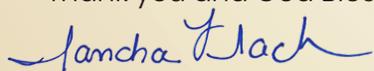

We are planning for 200 guests, \$15,000 in banquet expenses and we hope to raise \$75,000. We are reaching out to businesses to partner with us by underwriting the banquet costs so that all proceeds from the banquet will go directly to JFO, allowing us to continue to serve children and families here in the Capital Region.

All underwriters will be listed in the dinner program, advertised on a card at each table and will be included in our post-banquet newsletter that is distributed digitally to over 1000 individuals, businesses, and church leaders. A printed version will also be distributed to another 450 people. Additionally, social media posts and "Adoption and Foster Care Journey" podcast acknowledgements will be given to thank our donors.

We seek your financial participation through underwriting to make this dinner a tremendous success and ensure that we continue to grow in order to serve local communities. Underwriting does not require you to invite guests, however, if you would like to host a table and invite your business associates, please indicate that on the response card. You may send a check or go to the website at justicefororphansny.org/donate.

To learn more about who we are please visit the website, call, or email and I will gladly share the JFO vision for helping vulnerable children in your community.

Thank you and God Bless,

Sandra Flach
Executive Director
